How To Connect GoHighLevel to Your SimuStream Account

1. Sign into your pre-existing GoHighLevel & SimuStream accounts.
2. Within the SimuStream Dashboard, click Accounts, then click Add Link.
3. Select GoHighLevel & a title for your platform.
4. Next, you'll want to go to your GoHighLevel agency dashboard, click settings and then click API keys on the bottom left.
5. Copy the API key to your clipboard and head back to SimuStream.
6. Paste the API key and click add.
7. You can now see any lead forms from GoHighLevel within your SimuStream account.
