How To Connect Shopify to Your SimuStream Account

1. Sign into your pre-existing Shopify & SimuStream accounts.
2. Within the SimuStream Dashboard, click Accounts, then click Add Link.
3. Select Shopify & a title for your platform.
4. Copy your Shopify domain which will be shown in the browser link before myshopify.com
5. Paste your Shopify domain in the Shopify domain section within SimuStream & click add.
6. A new browser window will open and take you to Shopify. You'll want to add your sales channel & approve the test charge. You will not be billed for this test charge.
7. Within your Shopify browser, select all products click more actions, select available channels and ensure that SimuStream is selected.
8. Head back to SimuStream, click products & refresh the page to see all of your products that you've recently added!
