How To Create a Discount Code with Shopify & SimuStream

1. Sign into your pre-existing Shopify & SimuStream accounts.
2. Next, click discounts on the left hand side.
3. You'll want to create the discount code
4. including the code you'd like customers
5. to use as well as the amount.
6. Next, head to one of your SimuStream videos. You can see that the discount code created within Shopify works directly within your SimuStream video.
